PROFESSIONAL SUMMARY

Shopify expert with over 6 years of hands-on experience building, scaling, and managing high-performance e-commerce solutions. I've grown from developing custom themes and apps to leading Shopify products end-to-end, collaborating closely with design, QA, and business teams. Known for translating business requirements into clean, scalable Shopify solutions, improving UX, performance, and conversions for high-traffic brands. I enjoy owning problems, mentoring teams, and delivering products that genuinely work for both users and businesses.

SKILLS

- **Shopify & E-Commerce:** Shopify Theme Development (Custom & OS 2.0), Shopify App Development (Public & Private Apps), Shopify APIs, Webhooks & Theme Extensions, Storefront Customization & Architecture, High-Traffic Store Management, Performance Optimization & Conversion Optimization
- **Product & Delivery:** Product Strategy & Road mapping, Feature Planning & Prioritization, UX Improvements & User Journey Optimization, Stakeholder & Client Communication, Requirement Gathering & Documentation
- **Frontend Development:** Liquid (Advanced), HTML5, CSS3, JavaScript (ES6), jQuery, Responsive & Mobile-First Design, Cross-Browser Compatibility
- **Tools & Practices:** Debugging & System Testing, Code Reviews & Quality Standards, Sprint Planning & Agile Execution, Collaboration with Design, QA & Engineering Teams
- **Leadership & Soft Skills:** Team Leadership & Mentorship, Ownership & Problem Solving, Clear Communication, Time & Priority Management

WORK EXPERIENCE

2023-Present

Product Manager (Shopify Products & Solutions)

MeroxIO IT Solutions Pvt. Ltd. - Noida, India

- Lead end-to-end product strategy and delivery for multiple Shopify products, apps, and high-traffic stores.
- Manage cross-functional teams (dev, design, QA) and ensure smooth execution across all project phases.
- Drive feature planning, prioritization, UX improvements, performance optimization, and client communication.
- Oversee major accounts including **MSI, Dr. Sheths, Biotique, Sanfe, Liftow, Payal Khandwala, Rare Rabbit, Moha, and Originals Furniture**, ensuring alignment with business goals and timelines.

2021-2023

SDE II — Shopify Developer (Team Lead)

MeroxIO IT Solutions Pvt. Ltd. - Noida, India

- Led a team of Shopify developers, owning architecture decisions, sprint planning, and code quality.
- Delivered complex themes, custom features, and Shopify apps using Liquid, JS, and Shopify APIs.
- Implemented integrations and optimization strategies that improved site

speed, UX, and conversion rates.

- Mentored junior developers and coordinated directly with designers and PMs for smooth project delivery.

Developed multiple public and private Shopify apps, enhancing store functionality and user experience.

- **Video Reels App:** Built a Shopify theme extension for dynamic video content, boosting customer engagement.
- **Shopify Product Comparison App:** Created a product comparison tool to improve shopping experience and retention.
- **Lookbook App:** Developed a visual gallery for curated product collections, integrated with Shopify backend.
- **Wishlist App:** Enabled customers to save products for future purchase, increasing conversions.

Private Shopify App (Product Management Clone): Built a private app replicating core product management functions (add/edit/delete/import/export), streamlining inventory workflows.

2020-2021
